Dear Graduating Senior:

As we approach the end of the 2015-2016 school year, many of your thoughts turn to the eagerly-anticipated date and time of **Saturday, June 11, 2016 at 8:00AM at the Raleigh Convention Center**. This date marks an important milestone in your life - your high school graduation. On behalf of the faculty and staff of Fuquay-Varina High School, we congratulate you on this accomplishment! The memories and friendships that you have created will last for a lifetime. The education that you have received will prepare you for the challenges and opportunities that you will encounter.

During your years at Fuquay-Varina, you have met challenges and overcome obstacles to achieve the honor of claiming your diploma. I am very proud of all of you. I admire and appreciate your hard work, effort, enthusiasm for life, and desire to achieve. You are challenged with changing the world for the better. I know that you take the responsibility and privilege of this challenge seriously and I expect each of you to make a difference in our world.

In the next few weeks, many activities and preparations will begin for the graduation ceremony. Several events are planned in your honor. Take the time to be a part of these events - they will add to the memories of your senior year at Fuquay-Varina High School. This handbook contains essential information regarding upcoming events, activities, and details for the graduation ceremony. Please read and share this information with your parents. You are responsible for understanding and complying with all of the guidelines established for this special ceremony. It is my expectation that you will cooperate fully to make each activity and the graduation ceremony a success. We will not compromise the dignity of the occasion and the recognition that each one of you deserves. Through your work and participation, I am confident that every senior event will be a success.

Congratulations and I wish you great success in your future endeavors!

Sincerely,

Jonathan Enns, Principal
Fuquay-Varina High School

Dear Parents/Guardians of Graduating Seniors:

The Commencement Program will be held at the **Raleigh Convention Center on Saturday, June 11, 2016 at 8:00AM**. Given the seating capacity, admission to graduation will be by ticket only. Each senior will be issued **8** tickets for guests. We will distribute tickets on Friday, June 3 during graduation practice. Please note that receipt of your graduation tickets does not guarantee that you are graduating. Final grades have to be calculated to ensure students meet graduation requirements. Students who do not meet graduation requirements will be notified in advance of graduation. A ticket admits one person into the facility - please note this includes babies and small children. Only people with tickets will be admitted to graduation. Seating is first come, first served. The only reserved sections are the seating for graduates and faculty. Due to the size of our graduating class, the school will not be taking requests for additional tickets. It will be the responsibility of students and their families to secure extras tickets from each other.

A photographer will be available to photograph the graduates as they receive their diploma covers. He/she will mail proofs to each senior's household shortly after commencement with information regarding purchase of photographs. A videographer will also be on hand to record graduation proceedings which will then be transferred to DVD. In order to retain the videographer's services we must meet a minimum quota of orders; otherwise, the videographer's services may not be rendered.

Graduation is a momentous occasion. We are intent on maintaining the dignity associated with honoring our graduates. Help us in this respect by reviewing our expectations for attire and etiquette found on pages 8 and 9 on this handbook with your son/daughter.

Congratulations on your child's achievement! The administration and staff look forward to seeing you at the ceremony at the **Raleigh Convention Center on Saturday, June 11, 2016 at 8:00AM**.

Sincerely,

Jonathan Enns, Principal
Fuquay-Varina High School

FINAL EXAM GUIDELINES

- Seniors with a cumulative course grade average of “A” and not more than (3) excused/unexcused absences and no suspensions or a cumulative course grade average of “B” and not more than (2) excused/unexcused absences and no suspensions, or a cumulative course grade average of “C” and not more than (1) excused/unexcused absence and no suspensions will not be required to take the final exam in that class, unless the final exam is the state-mandated End-of-Course exam, or CTE exam(s).
- **ALL** absences, excused or unexcused, count toward the exam exemptions totals.
- It is a Fuquay-Varina High School policy that if a senior is absent more than three (3) days, the student is required to take his or her final exams regardless of the student’s grade.

Examples:

- Pre-approved college visit for 2 days is excused but counts as 2 absences.
- Pre-approved excused absence for ‘Educational Reasons’ is excused but the number of days requested (up to 3 days) count as absences. A senior who has an “A” average in a non-EOC class was out 4 days for a pre-approved “Educational” reason would have to take the final exam.
- A school field trip does NOT count as an absence.
- Students will not be permitted to enter an exam tardy **unless it is due to a late bus**. Students who report to school otherwise tardy must have a note from a parent and be escorted to the exam by an administrator. If a state exam has begun, the student will have to take a make-up exam. No students are allowed to leave class before the end of each exam period. Also, students finishing exams before the entire period is over must remain quiet and orderly for the benefit of both their classmates and others in nearby rooms.
- Students must make arrangements for rides **PRIOR** to coming to school each day. Messages to students cannot be delivered during exam sessions.
